SUBJECT: OL Funding of SDE-2 Task

25X1 1. As part of the Commercial Logistics Applications System (CLAS) program, the Office of Information Technology (OIT) is obtaining space, computer use, and consultation under their SDE-2 contract with TRW. The attached routing sheet summarizes the effort, with [] approval as noted.

2. Please take action to transfer funds to OIT for this effort. Although OL is committed to the entire \$397,000 for the contract, we prefer to initially fund \$250,000, with added amounts transferred as costs are incurred. Funds are available in the LIMS/CLAS project, 78-1015.

25X1 3. [] is the contact officer for this
